Editing Profiles in WordPress

This tutorial assumes you are already logged into WordPress.

From the **DASHBOARD**, click to expand the **USERS** options.

Click **YOUR PROFILE**.

On this screen you can edit options relating to the visual editor and color scheme.

Scroll down.

On this part of the screen you can edit your **NAME, NICKNAME, DISPLAY NAME, BIOGRAPHICAL INFORMATION** and **EDIT PASSWORDS**.

Click **UPDATE PROFILE**.

You now know how to edit your profile in WordPress.
